

Horlivka Institute for Foreign Languages of SHEI  
“Donbas State Pedagogical University”

Report on the results of the project  
Erasmus+ WARN  
Academic Response to Hybrid Threats

May 31, 2020

1. The project participants confirmed their decision to publish the article Social responsibility of citizens and authorities under the conditions of the Donbas line of delimitation (ethical and mental aspects) in the special issue Coronavirus and the Future of Liberalism in the Czech Journal of International Relations, which will be based on the pandemic materials (on the initiative of A. Makarychev).

2. The Hybrid war glossary is being prepared. To compile the glossary the following printed publications are used:

- Voronchuk E., Nikolaeva L. Glossary of international and political terms (Ukrainian-Spanish-French). Kyiv, 2011. 136 p.

- Gorbulin V. World hybrid war: Ukrainian front. Kharkiv, 2017. 489-494 pp.

There are some terms introduced by the project participants, for example, asymmetric war, the strategy of "a new generation war", the strategic doctrine of Sweden, etc.

3. On May 14, 2020, within the XVIII Interregional Scientific and Practical Conference of Young Scientists and Postgraduate Students "Research of young scientists in the field of humanities" a special section "History as an Object for Hybrid Treats" was formed. The project materials of European partners from the University of Coimbra (Portugal) were used to prepare the talking points and students' abstracts.

4. The collection of abstracts Bulletin of the Student Scientific Society of Horlivka Institute for Foreign Languages: a collection of scientific papers: In 2 vols. Bakhmut: GIIM, 2020. Vol. 2. Literary Studies. History. Pedagogy. Methodology. Psychology. 317 p. » (electronic edition) was based on the conference materials.

5. At the meeting of the editorial board of the collection of scientific works Faces of History (ISSN print 2708-0692, ISSN online 2708-1249; editor in chief

Dokashenko V., secretary in charge Kontsur V.) it was decided to start the new rubric Civilization challenges and hydride threats.

6. On October 23-24, 2020, the IV International Scientific and Practical Conference "Bakhmut Antiquity: Local Lore Studies" will take place including the section Civilization challenges and hydride threats.

7. The project participants will take part in the III All-Ukrainian Scientific and Practical Internet conference "Ukrainian society under the war conditions: modern challenges and perspectives of peacekeeping" (June 22, 2020).

8. The course History of International Relations was updated (normative discipline of the master's program; the authors are Dokashenko G., Kontsur V.) using project materials.

General assembly representative of the project      Prof. Galyna Dokashenko
